

When I came in I couldn't move my back, my arm, and my neck was hurting, a great pain from an automobile accident I got in May 31<sup>st</sup>.

(On-Screen) – How long have you suffered prior to getting evaluated and treated with the SONOMA Method?

It was previous year or about 9-10 months.

(On-Screen) – Have you seen any other doctor for this condition?

With the urgent care took plenty of drugs, and couldn't do much on them until my rehab they work on the muscle not the bones.

(On-Screen) – How were you treated by the staff at Coast Chiropractic Centers?

Super a-plus! The girls in the office took care of me; they gave me tea, coffee.

(Staff) And and what did you like most about your care?

The girls are the office! Actually, the ability to do things again, you know move my back, my arm, my neck without constant pain.

(On-Screen) –What benefits have you experienced from our SONOMA Method?

I slowly, as he worked on me, I slowly got better and actually my arm is able to move and shoulders, back, neck. You know, turn and look without immense pain.

(On-Screen) – Would you recommend Dr. B. Timothy Harcourt?

I think he's the best doctor in the United States, if not the world!

(Staff) Great! Thank you so much, Wayne!

You're very welcome.
